JOHN LOUIS BREAKS RECORD

RUNS MILE AND AN EIGHTH IN 1:50% IN WIN-NING LATONIA HANDICAP.

Prince Gal Runs a Fast Mile to Beat Hazel Burke and Wintergreen in Merchants' Stakes-The Manager Carries Big Impost to Victory.

Cincinnati, O., June 21.—George Odom's Prince Gal today added the Merchants' Stakes to his list of successes after a hard drive with Hazel Burke and Wintergreen, his most formidable opposition for the entire running. The stakes had a gross value of \$2.000, of which the winner's net portion was \$1.440. There were only five starters, with Prince Gal enjoying favoritism. The winner's good time of 1:38\(\tilde{\text{g}}\) added to the merit of his performance. While the Merchants' Stakes was adjudged the feature the second and fifth races also held interest and promised considerable in the way of good sport, accounting for another large attendance. In the second race T. C. McDowell's crack colt, The Manager, was making his local debut and was asked to meet some formidable opposition at weight differences much in their favor. He accomplished his task successfully, but some regarded the fact that he received a big advantage at the start as detracting from his victory. He was away fully in his stride, possibly two lengths in front, and Koerner kept him at his task throughout, eventually winding up two lengths before Wheelwright, while Presumption was the same distance further back. Wheelwright made a strenuous effort to overhaul the leader, but at no time could he decrease the winner's lead.

Winners of the Merchants' Stakes since 1902, when jit was renewed after a lapse of several years.

John Louis proved himself a much underrated gacer when in the fifth race, a handicap at one mile and an eighth, he triumphed over Leamence, Polis and Carlton G. in decisive fashion and established a new track record of 1:50½. The former mark of 1:51½ was made last week by Joe Morris. John Louis trailed for the first three-quarters and appeared a forlorn hope, but he moved up in stout fashion during the stretch drive and had much in reserve at the finish.

W. F. Schulte, after many attempts, managed to take a purse with Zienap, the latter winning the closing race in a hard drive with Hannis. Zienap showed an improved performance under T; Koerner's handling. Setback, the favorite of the race, was the victim of one of J. Glass' blundering efforts and also a poor start, both combining to destroy his winning chances.

Jockey T. Rice was suspended for five days by the starter for disobedience at the post in the first race. E. C. Hopper, former secretary of Latonia and more recently presiding judge at Oakland, was among today's visitors. He voiced his approval of the many beneficial changes made in the plant. He will remain here for about a week before returning to his home in Winchester, Ky.

Jockeys H. Michaels and D. Silver, both former well-known riders in this locality, were among today's visitors, having just returned from South America, where they have some useful racers. They are here in quest of material to strengthen their racing strings in South America.

There are at present fifty-five horses on Secretary Maghin's preferred list, most of them two-year-olds. Trance showed soreness after a work-out this morning.

Dr. Waldo Briggs is going soundly and probably will be a starter at this meeting.

Today's speculation was again voluminous and probably totaled the greatest mid-week amount since the present system of betting was installed.

The two-horse mutuel combination paid the record amount to date when the lone backer of Kitty K. and The Manager received \$501.60 for his \$2 investment. The three-horse combination, consisting of Prince Gal, John Louis and Zienap, paid \$146.30.
Jockey Taplin will leave for Winnipeg, Man., to ride during the seven-days meeting which will begin there June 28. E. J. Mackenzie, his contract employer will campaign some horses there and Taplin will return to Latonia immediately after the close of the Winnipeg meeting.

There will be a three-days meeting at White Sulphur Springs, W. Va., in connection with the horse show to be held there July 19-20-21. The racing will be over a half-mile track and the meeting will be financed by Thornton Lewis, a wealthy and prominent sportsman.

Judge Price is progressing nicely and is expected to resume his duties within the next day or two.

VIRGINIANS HAVE A FIELD DAY.

William Garth Saddles a Trio of Winners at Hamilton and S. C. Hildreth Scores a Double.

ton and S. C. Hildreth Scores a Double.

Hamilton, Ont., June 21.—Virginia carried off the honors at the Hamilton Jockey Club's course this afternoon. The winners of three of the races were furnished by William Garth in Ticket of Leave, Supervisor and Muskmelon. The latter races in Mr. Garth's colors and he also handles Ticket of Leave for Ral Parr and Supervisor for Woods Stockton, both of whom are also Virginians. Ticket of Leave's victory came with the running of the Barton Steeplechase. The race was one of the best ever witnessed through the field in Canada. The contestants were well bunched all the way and the finish resolved itself into a duel between Ticket of Leave and Waterway, in which the former just did manage to outlast the favorite. The pair raced head and head throughout the final furlong.

S. C. Hildreth took two purses during the afternoon, winning the Grimsby Handicap with Zeus and the fifth race with Woodcraft. The latter was entered to be sold for \$1,000 and he was boosted \$500 over his entered price by Sam Louis, but was protected and bought in.

The first disqualification of the meeting came with the running of the sixth race, a four and a half furlongs dash for two-year-old fillies, in which Flower Girl bumped Florida's Beauty when Shilling attempted to get through on the inside at the furlong post. The stewards allowed Shilling's claim of foul and gave the race to Florida's Beauty. The change in the placing gave Miss Joe second money and Dipper third.

The stewards ruled that jockey E. Dugan's services for the remainder of the meeting be confined to the stable of his contract employer, August Belmont. Shilling is another rider that will not be permitted to accept outside mounts. This ruling was made by the stewards of the Canadian Racing Associations at their meeting this afternoon and came as a result of the rough riding tactics indulged in by these boys at Blue Bonnets.

H. A. Silvers, a young American who is racing a stable of horses in Chile, was a visitor here yesterday. He at one t

for shipment to Fort Erie tomorrow. The horses of P. S. P. Randolph will be sent down at the same time.

Starter William Murray was here today on his way to Montreal, where he goes to do the starting at the King Edward Park meeting, which will open on Saturday.

John Dyment has arranged to turn Chief Kee over to William Garth. The remainder of his string will be turned out until fall. Mr. Dyment will leave for Calgary next week to superintend the transfer of 1,600 horses which were located on the Dyment ranch in that country. The entire lot has been sold to Medicine Hat stockmen.

The Ontario Jockey Club has obtained an option on a site at Long Branch, but the stewards of the club announce that there is no intention of vacating Woodbine for some time to come.

Reports from the Seagram farm are that twenty-two foals have arrived this spring, thirteen being colts and nine fillies. Six of them are by Inferno and the remainder are by Havoc and Ypsilanti II. John Dyment has lost a suckling by the English stallion Red Fox out of the American mare, Elf, dam of Broomstick. Havrock has been sent to the Seagram farm and will be saved for next year's King's Plate.

GITTINS BILLS ADVANCED A BIT.

Albany, N. Y., June 21.—With the directors' liability bill and its companion measure defining bookmaking now in a position where final action may be taken on them in the Senate at any time, the friends of the proposed legislation are predicting with renewed confidence that they will be passed.

At this late stage of the legislative session any bill in general order is referred to as being in the "morgue," so slight is the chance of its being passed. Efforts to advance the bills from general orders had been twice blocked by Senator Newcomb. Just as yesterday's session was nearing its end Senator Gittins handed a notice to the desk that "at some future date" he would move to suspend the rules and advance the two bills out of their regular order. The notice was not put in at a time provided for by the rules, and a single objection would have compelled its withdrawal. Senator Newcomb was accepted by the desk. No matter what the order of business may be it is now possible for Senator Gittins to move his bills to third reading and have them passed at once, provided he has the necessary votes.

"Exaggerated reports have been circulated," Senator Gittins said, "as to the effect of these bills. Their purpose is not to revive the betting ring, nor to make professional betting possible. It is merely to save racing.

"I have little if any doubt but that the bills will pass both houses and, although the reformers are circulating literature showing how bad a man I am to father such propositions, I really can see no reason why the bills should not pass. If they do not become law we might just as well sweep all the race tracks off the map.

"Why, some of the people who oppose these bills do not know just how drastic are the present laws making directors of racing associations responsible under any and every condition, while others to whom I have explained the provision we propose to amend really do not believe it could have been made a law.

"Do you think, for instance, that a man ought to be sent to prison because somebody on

ANSWERS TO QUERIES.

E. P. B., Lexington, Ky. Since Stinger ran un placed the bet lost regardless of whether Round the World started or not.

World started or not.

W. K., Decatur, Ill. It will be ordinary bookmaking at Windsor's approaching meeting. Mutuels may be used at the fail meeting.

Ben S., Louisville, Ky. J. W. Schorr's Ordnung won the Montgomery Handicap of 1903 in which McChesney ran unplaced with 129 pounds up.

W. B. Dayton, O. Cannot give you show figures on Lady Lightning because she was unplaced. We only get place and show prices on the placed horses.

E. W., St. Louis, Mo. You had \$3.30 coming from the Round the World-Wander bet, Novelty having been only 1 to 7½, there was not enough coming to make the bet on Oakhurst, so the bet was a draw as to the latter and \$1.67 was coming on Novelty.
